INCREASE IN FEES 1ST JULY, 2024

Due to the increasing costs involved in running our medical practice and to allow us to continue providing our patients with the best possible care, we will be increasing our fees from the 1st July, 2024. Our last increase was on 1st July, 2023.

We will continue to ask patients to pay their account in full at the time of their consult - this still does not apply to those that are on a health care card, pension card or those under 16.

We will continue to use Tyro which will reimburse your account immediately with the Medicare rebate. There will be a small surcharge for this service.

The following fees will apply from the 1st July, 2024.

Appointment Type	Fee	Medicare Rebate	Gap
Standard	\$65	\$42.85	\$22.15
Long	\$108	\$82.90	\$25.10
Extended	\$150	\$122.15	\$27.85
Phone Appointment	\$65	\$42.85	\$22.15
